Mau Mau Terror In America

Chicago School Protests Continue

CHICAGO, NEW YORK,
DETROIT FIGHT SCHOOL
MIX

The struggle continues at Gage Park High School in Chicago against a redistricting plan which would jam more blacks into the White school. Parents of over 12,000 children boycotted 9 schools in Brooklyn, N. Y., opposing a similar plan which would bring public housing welfare blacks into their school district.

It seems that redistricting is the new scheme of the integrationists as an adjunct to busing to bring about more race mixing. Communities in both Chicago and New York hold that more forced integration will simply mean that Whites will move out. Then property values will crumble and the present clean and orderly neighborhoods will quickly become black slums.

Thousands have marched in protest at the Gage Park school in Chicago. Other area schools have joined in sympathy protest demonstrations, realizing they all stand to lose if Gage Park falls. The wire services have refused to carry the Gage Park story because they are afraid it will encourage other communities to stand up against forced race mixing.

It is the same case in New York City. Upwards of 2,000 Whites have demonstrated on numerous occasions. When Mayor John Lindsay sent Human Rights Commission head Eleanor Norton to lead the blacks into the predominantly White school they were greeted with jeers and boos.

Everyone says that Detroit is the real powder keg in America. Here the Whites are so mad over the prospect of long distance busing ordered by Judge Roth (a Jew) that there could well be bloodshed. Whites now have their backs up against the wall. They have no where else to go, but turn, and fight for their rights.

The National States Rights Party offers all these good people the use of our Chapters and facilities to educate the people the true meaning as to exactly why we oppose race mixing. We are against any type of integration of the races because it eventually leads to the pollution.

NATE Burse says now that they are in prison they will begin killing police and guards. Is this not enough reason to bring back capital punishment?

White Women Thrown In Cells With Black Men

Whites Not Protected By
Black Police, Judges

ONE RAPED — ANOTHER ATTACKED

"Women's Liberation" has been ordered into full effect in Chattanooga, Tenn. Negro judge Bennie Harris decided that in line with the new "equal rights" for women there was no need in separating them from men in the bull pen where prisoners wait for their cases to be called.

This summer Judge Harris told court officer Bill Peterson to take a woman back to the bull pen to await a civil case between her and her estranged husband. Technically the White woman was not even a prisoner. Already in the bull pen was a negro prisoner charged with a crime. He was waiting for his case to be called up. No sooner had the guards left than the negro accosted the White woman in the cell and attempted to rape her. Her screams were heard by her husband out in the court room. He and others ran back to the bull pen and rescued the woman. The story was front page news in the Chattanooga newspapers. Then Judge Harris gave the negro attacker 3 months for attempted rape.

Chattanooga Police Chief

Jerry Pitts and Police Commissioner Gene Roberts said they had no jurisdiction over the handling of prisoners awaiting hearings in the bullpen. That is solely up to the presiding judge — in this case negro Bennie Harris, an avid supporter of "Woman's Lib."

This was not the first case of the new policy of mixing the sexes in the Chattanooga city jail. Reporter J. B. Collins of the "News-Free Press" uncovered another case where a rape actually did take place. He wrote that Police Commissioner Gene Roberts also verified the story. Equal Rights for women has been carried to the ultimate in Chattanooga. They have ignored any differences between the sexes and that to keep them a part is "discrimination" against women's rights.

Mr. Collins reported that a White woman who had too much to drink recently was placed in an empty cell in the men's block. She was going to be released when she "cooled off," the jailers said. Later, two drunk negro men were brought in. The horrified woman hid under her bunk when she saw them being led into her cell.

Later Commissioner Roberts related that a jailer was walking

16 Whites Murdered— Gang Organized Nationwide

A cold shock wave spread through Chicago with the announcement of the indictments of 10 black radicals charged with the killing of at least 16 White persons. What made the announcement so terrifying to the people of Chicago was the revelation that the blacks had formed a revolutionary organization bent on murdering White people just because they are WHITE!

They traveled through many states and it is not known just how many other unsolved murders were committed in an organized campaign to exterminate White people. Some of these arrested told police, "Now we're going to knock off some White pigs!" One case in Nebraska has definitely been linked to the gang. Police admit that not all the gang members have been apprehended and they have discovered membership lists with contacts in many states. Most cannot be charged unless they can be directly connected with specific murders.

DE MAU MAU

Most of the blacks are Vietnam veterans with dishonorable discharges. They call themselves "De Mau Mau." This is the name used some years back by black savages in Africa who dedicated their lives to murdering Whites in order to drive them out of East Africa. The original Mau Mau had initiation rites that were so bestial and hideous that they shocked all the civilized people of the world at the time.

They included gang rape of children, copulation with animals and drinking potions made with mixtures that are too vile to describe. Over 13,000 British settlers and their workers were brutally butchered and tortured when captured by this gang.

Some of their favorite ways of killing Whites included tying a man to a post, slitting his stomach open and allowing his intestines to fall to the ground at his feet. Then starved dogs were brought in to eat the victims organs while he slowly died with this heinous view before his eyes. Other Whites were tied down and their eye balls squeezed until they popped out of their heads. Limbs and organs were then hacked off the bodies until the victims bled to death.

This is the organization the Chicago killers decided to identify themselves with in the murder of any and all Whites they could lay their hands on. Chicago police say that most of the victims were chosen at random for execution.

The De Mau Mau gang had its headquarters in Chicago. "The Chicago Today" newspaper of Oct. 16, stated that the gang might number as high as 3,000 members nationwide. At this writing two of its leaders, also charged with murders, are still roaming the nation at large. The organization first started overseas among black soldiers who got started by "fragging" (rolling grenades under Whites' bunks and killing them.) Police say the gang is bent on murdering Whites that they are able to find in isolated areas where there is no one to go to their aid nor any witnesses.

The gang went to the home of Chicago insurance executive Paul Corbett. They forced him and three members of his family to lie on the floor with their heads bent forward. One sought to run and was shot through the head with a .30 cal. slug. Each of the others was carefully executed with one .25 cal. bullet fired into the back of the neck at the base of the skull. Days later police found the body of Kathleen Fiene, a 16-year-old school girl. She had been pulled into a clump of bushes as she walked home from school on Chicago's South Side. She was then executed with a .25 cal. bullet fired just under the ear. BALLISTIC TESTS PROVED IT CAME FROM THE SAME GUN!

Still later another body turned up. It was discovered beside a lonely highway. This time shot dead with a .30 cal. slug from the other gun used in the Corbett massacre was Michael Gerchenson, a 10-year-old Southern Illinois University student. Then on Sept. 4, members of De Mau Mau entered the home of Stephen Hawtree, 56, a plant foreman and ordered him, his wife Judy, 53 and their son Thomas 17 into the basement. Again they forced them to their

Continued on Page 2

Mau Mau Murders Nationwide

Continued from Page 1

knees and carefully executed each with one bullet fired into the neck. The killings came first, after which members of the gang stole whatever they could from the residence, or pockets of the slaughtered victims. The police were able to tie members of De Mau Mau in with the Hawtree murders because one of the arrested blacks was found to have Mr. Hawtree's color T.V. set in his apartment.

William E. Richter, 23, a soldier from Kentucky, was found gunned down in his pickup truck parked beside an expressway in Highland Park. The organization ranged far and wide and a new slaying in Nebraska has been traced to De Mau Mau. Retired Col. William O. Peak and his 14 year old daughter Barbara were executed in their home in Grand Island, Nebraska on Sept. 9th. His wife was severely wounded with a bullet in the brain. The negroes left her for dead. She cannot be questioned and is still on the critical list. Down the road from Col. Peak one farm family refused to open the door when they realized it was a group of blacks. Col. Peak made the fatal error of opening his door before he realized who was there. Murder of any and all Whites who came within their grasp was the primary motive. Robbery was secondary. Investigators now believe that the Chicago Mau Mau killed at least 16 Whites. Police authorities all across the nation are checking their lists of unsolved murders to determine whether or not they fit into the pattern of De Mau Mau slayings. Other members of De Mau Mau are being sought all across the nation are checking their lists of unsolved murders to determine whether or not they fit into the pattern of De Mau Mau slayings. Other members of De Mau Mau are being sought all across the nation as the manhunt widens.

Officers state that to join the anti-White group one member told them: "You have to kill a Whitey first." Two Blacks in Atlanta, Ga., have confessed that they murdered an Atlanta police officer in his car after asking him to give them directions in order to prove their worthiness in order to be accepted into a radical anti-White gang. **The aim of De Mau Mau is to incite other blacks nationwide into killing as many Whites as they can — so long as it can be done in circumstances where they have a good chance of escaping to kill again and again!**

Chief Edmund Dobbs of the Cook County Sheriff's office said: "What makes these killings especially vicious is that no special individuals were singled out. The victims were simply picked at random as the gang roamed the countryside looking for someone to kill."

TV QUICK TO EXCUSE RACE MURDERS

CBS-TV, along with many of the daily press, came out quickly with followup stories to make the public "feel sorry" for the blacks. CBS, headed by the Jew William Paley, used a portion of the news to tell how difficult it is for a black, kicked out of the army with a dishonorable discharge, to find a job. They even produced films of the black riot at the "Chicago Job Fair" as proof that Chicago blacks are discriminated against and frustrated. The commentator actually said that their inability to find good jobs was the fermenting factor which caused these Vietnam veterans to "hate Whitey" and go on this rampage killing White people.

The press has sought to minimize this new danger poised at the lives of all White people by stating that this is an isolated case. That the smashing of this gang will stop the senseless murders of Whites! The following article will prove to any reader that other blacks, not a part of De Mau Mau, are carrying on the same killing of Whites in other parts of the country.

San Francisco, Calif. Young Phillip Cosgrove had just left a bowling alley when two men approached him on a well lit street. Without uttering a word the two black savages quickly wielded a razor slashing Phillip's throat. When he fell to the ground they slit his abdomen open. Two White printing company employees at the end of the street witnessed the attack and immediately called for help. Phillip died instantly. His father is 61 year old Sergeant Edward C. Cosgrove a veteran police officer since 1935. The brutal killers have not been caught.

NORTH CAROLINA SLAUGHTER

Negro Harvey Glenn McLeod grew up in Raleigh, N.C. with a chip on his shoulder. He believed the stories he had long heard from negro ministers and black agitators about Whites being "no good." In July of 1971 McLeod stabbed a Whiteman at a basketball game without reason. He was given only 6 months for this violent crime. In prison his social worker was Charles W. Berry, Jr. He reported that Harvey McLeod was "extremely prejudiced against White people." Berry emphasized: "He doesn't trust White people at all." He hated the White judge who gave him a light sentence. Berry recommended a complete psychological examination, but there was no subsequent followup.

Then the day came when unadulterated hatred within 22 year old McLeod spilled over into cold blooded murder. He decided that he would kill all the White people he could before taking his own life. McLeod went to the bank and cashed in his savings. He used the money to buy a 15 clip 22. rifle. Then he drove to the parking lot of Raleigh's North Hills Shopping Center. Crouching between two parked autos he took aim at White people entering the shopping center.

At first he caught James G. Henry, 32, and his young family walking toward the stores. One bullet through Mr. Henry's heart brought his life to a senseless untimely end. McLeod's African warped mind then was set to wipe out Henry's entire family. He then shot Henry's daughter Terri Sue, 6, in the chest. Next he hit 3-year-old Carol Lynn in the left thigh. Mrs. Henry threw her body over the two little ones to protect them. She was not hit, but her husband was dead by the time help arrived.

Sen. B. Everett Jordan was campaigning in the shopping center at the time. Mrs. Jacquelyn Wharton, 7, who had just shaken hands with the Senator was fatally shot in the neck and her friend Mrs. Ralph Moody wounded in the face. McLeod then sighted young Melvin D. Harrison, Jr., 23, in the doorway of Ivey's Department Store and shot him in the side. He staggered into the store and

Young carpenter Jerry Sowers lies dead, shot down just because he was White.

died before the eyes of horrified shoppers.

Harvey McLeod wounded eight others in his fierce outpouring of hatred against Whites. With police closing in McLeod then placed the muzzle of his gun in his mouth and committed suicide. The total of dead and wounded was a heavy price Whites paid that bloody day last summer for our tolerance of the African savage in our midst.

It was not mentioned in the daily press here, but Jon Nordheimer of the New York Times reported that Mrs. Everett Jordan later drove to the home of Willie McLeod and his wife (parents of the killer.) She said: "I am the wife of the Senator, and wanted to tell you how deeply sorry we are, and that we are thinking about you."

She paid her respects to the home of the murderer. No doubt hoping the news would garner black votes for her husband. She was more interested in the killer's family than the families of the poor White victims. He later lost the primary. This is the example of the depths to which the pro-negro element has sunk. These are the super-rich who have sold us out to the blacks. This is the reason negroes have grown into such a dangerous menace to our people today.

Nothing ever appeared in the press about the grievous loss suffered by Mrs. James Henry, the husband of Mrs. Jacquelyn Wharton, or the parents of young Melvin Harrison. They are all dead, but officialdom and the liberal daily press are mainly concerned about the sorrow of Willie McLeod and his wife over the death of their murderous son!!

Dallas, Texas — It was on a Monday when Mrs. Marie Childs went to her job at Bell Cleaners. She had worked there one and a half months. Her mother said: "Everything was so normal when Marie left for work that morning. You'd never dream in a million years anything like that could ever happen."

But it did because the Whiteman has been so weak and tolerant in the past that we have allowed wild jungle beasts to roam and kill White prey almost at will in our streets. In they came, Ronald Neal, Donald Johnson and Edward Gibson. They took the small amount of money that was in the cash register — AND MUCH MORE! They took Mrs. Marie Childs!

Three days later her brutally ravaged and raped body was found crammed into a closet in a vacant house. One bullet had been shot into the back of her head after the beasts had finished with her live body. Your editors believe that the luxury of having so-called "cheap negro" labor in our midst is NOT WORTH THE PRICE OUR PEOPLE HAVE TO PAY IN BLOOD AND DEATH.

Somerville, New Jersey — A jury recently found two uncivilized animals guilty of brutally raping teen-age Lynn Gassaro and then murdering her and her boyfriend. Police said it was one of the most vicious crimes in their annals. The two were beaten then their throats partially slashed so that they died agonizing deaths strangling on their own blood. Found guilty were negroes Ramond Dozier and William Carter, both 22.

They were identified by Roger Ladd who was riding with the murdered couple when the blacks commandeered their car. Ladd had his throat slashed from ear to ear and was thrown from the speeding car. Miraculously he survived to tell the gory tale! The two brutal murderers were given life imprisonment, which means they will be eligible for parole in 14 years. This is the most they can be given since the Supreme Court outlawed the death penalty. Jack Greenberg, the Jew who heads the NAACP Legal Fund, won this decision on the argument that most of those executed are blacks. They did not consider the fact that blacks also commit 85 per cent of all crimes of violence in America.

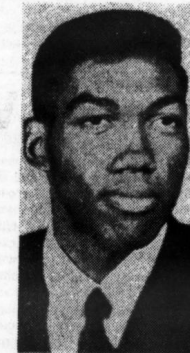

Los Angeles, Calif., has experienced many senseless murders of innocent Whites by hate filled blacks. Next to policemen and firemen the White construction worker is the biggest "hate" object of the blacks. This summer Jerry Sowers of Cudahy was engaged in carpentry work atop a new building in a black neighborhood. Suddenly shots rang out, Sowers cried, "I've been shot." Those were the last words to ever leave his lips. He fell dead. An artery in his neck had been severed.

The three blacks involved were aged 18, 13, and 14. They fired numerous shots at the White workmen atop the building using 3 guns. They didn't care who they killed, so long as he was White. The youths then casually drove out to the beach for an afternoon of swimming. They were arrested when they returned home. The two youngest were turned over to juvenile authorities and will spend only a short time in custody.

Another especially vicious Los Angeles murder was that of school teacher Caroline Olsen, 27. She was playing tennis with her husband Kenneth when Black Panther leader Elmer Pratt came onto the court. He shot her through the head with his 45, and shot her husband 5 times. Mr. Olsen lived to identify Pratt as the killer

PHILLIP COSGROVE Slashed with razor

HARVEY GLENN McLEOD Went on killing rampage out of pure hatred for Whites.

Chicago Protests

Continued from Page 1
tion of the White race through interbreeding of the races. Elsewhere in this issue is a comprehensive article on the fact that negroid people have inherently lower I. Q.'s than Whites. Thus they tend to hold back the advancement of the White students due to this impairment of their learning ability.

Blacks quickly grow to resent the obvious classroom superiority of the White students. This leads to brutal physical attacks upon White students in which blacks seek to cover up their lack of mental aptitude. This leads to intolerable classroom situations where no one is able to receive an education.

These are but a few of the reasons why the NSRP is against integration on RACIAL grounds and not because we don't like "busing" or "crowded" schools. The problem will not be solved until we face up to the real cause of this dilemma. Once we admit that RACE is the issue, the sooner we can come to grips with the problem and "solve it once and for all."

Continued on Page 3

Abnormal "Self Hate" Drives Some Whites To Destroy Own Race

Mau Mau Murders—

Continued from Page 2

of his wife. The trial lasted several months as Mrs. Eldridge Cleaver (wife of the Black Panther head) led a campaign to win his freedom.

BREAKDOWN IN LAW AND ORDER

We could go on and on with the terrible loss of White lives in America due to black hatred against the hands that feed them! Next month we will discuss the problem of negro judges who thwart bringing blacks to justice and blacks on juries who refuse to convict despite the preponderance of evidence. We cannot have law and order and at the same time have blacks as judges or sitting on juries or have blacks as policemen!

We ask our readers and the many thousands of you who will read this issue of THE THUNDERBOLT for the first time. Would it not have been better to strip the uncivilized negro of his citizenship and deport him back to Africa if we could but have saved just one of the above White lives???

Some say we can't afford to ship the blacks back to the jungles of Africa: we say WE CAN'T AFFORD NOT TO DO IT! If the negro Gen. Amin of Uganda can deport 70,000 Asians out of his country on racial grounds with no protest from the U.N., there is no reason we cannot do the same with our uncivilized blacks here.

Thousands of lives of White people will be saved by deporting the blacks back to Africa. The more one thinks of how this plan will save us millions of dollars wasted on welfare, poverty aid, public housing, medical care, etc., etc., it is easy to understand that the country will prosper greatly from such an exodus. In fact the national debt can be completely erased once this black cancer is ripped out of our body politic.

If you agree that the time has come to solve this growing black menace once and for all, then order extra copies of our "Back To Africa Program" listed on page 11. This 20,000 word plan will convince almost any fair minded person of the reasonableness and workability of this plan. Help us today to awaken our fellow White brothers to the urgency of acting now to solve this problem once and for all.

White Women—

Continued from Page 1

by and saw the woman lying in the bunk as the two negroes were taking turns raping her. The Commissioners told the press that as a result of these "regrettable episodes" the city of Chattanooga has abandoned its policy of mixing the sexes in jail cells. Instead of protecting the rights of women, the real result of "Woman's Liberation" is to strip away their protection. This year many state legislatures will be considering ri-

dulous "Women's Lib" bills such as proposed by Betty Friedman, Gloria Steinam and Bella Abzug (all three radical Jewish revolutionaries.)

They would have women serving on the same ships at sea with men, using the same dressing rooms and washrooms with men in private business and government installations, same jail cells, etc. This will only lead to further debasement and the destruction of the sanctity and honor our forefathers intended for us to give our women. In a society where blacks are already artificially elevated to "equal" status by government decree, there is all the more reason for us to oppose this mixing of the sexes under such circumstances.

Back to Chattanooga, Judge Bennie Harris, who threw the White lady in the cell with the negro criminal has been forced to resign due to this and other abuses of his power. The question is which liberal city will be next to lock up White women with black prisoners in the name of "Women's Lib"? New York City, Boston or Oakland may be next to try this experiment. The time has come for White men to stand up and stop the radicals from instituting such insane theories and practices upon our people. By supporting the National States Rights Party you help protect White womanhood.

WORKERS LOSE FUNDS TO UNIONS & BIG BUSINESS

The Supreme Court has struck another blow against independent and pro-White political candidates. In a 6 to 2 ruling the Supreme Court will allow both unions and big business to solicit money from workers that will be then given to ultra-liberal, pro-negro candidates. Workers will fear the loss of their jobs or loss of union protection if they do not give to these political slush funds. Unfortunately most of the big unions and most of big business are more interested in promoting the welfare of minorities than they are of White workers. We know of no candidates that openly stand up for the White race that have been given political funds by either big business or big unions.

THE THUNDERBOLT is published monthly by THE THUNDERBOLT, INC., Dr. Edward R. Fields, Editor and Publisher. The subscription rate is \$5 per year, payable to P. O. Box 1211, Marietta, Ga., 30060. The publication office is located at 591 Cherokee St., Marietta, Ga. 30060. Second class postage paid at Marietta, Ga.

DO WASPS HAVE A DEATH WISH?

The word WASP is a smear word used by ultra-liberals to debase Whites who oppose the pollution of their race. It is difficult for many of us to understand, but many Whites have been brainwashed to the point that they are instilled with a self-hatred so great that they actually seek the destruction of their own race. Like the girl student from Berkeley we quoted some time back to the effect that she was only seeking a black mate as her future marriage partner. In this way she wanted to contribute toward a mulatto America of the future in which the White race no longer exists as an entity.

A perfect example of this syndrome is exemplified by Mrs. Lois Stalvey of Omaha, Nebraska. She has just written a book entitled, "The Education of a WASP." Mrs. Stalvey says that she and her husband are embittered by all the "White racism" they find in America. They are seriously considering moving to a black ruled nation in Africa. It would be good if they fulfilled this desire because they could then write another book and title it, "The Education of a Race Mixer".

In her book she tells how they lost all their friends in Omaha when they tried to help a black couple move into the neighborhood. She complains that Whites do not accept their maids as they would their social friends. She also attacks the so-called "do-gooder" element (which actually does more real damage than the open racemixers like Mrs. Stalvey.)

She tells the story of a White liberal insurance man who worked hard to prove his devotion to the cause of "equality" by raising money for black voter registration drives and gave speeches at brotherhood banquets. But, Mrs. Stalvey denounces him as a hypocrite for living in an all White neighborhood, sending his children to an all-White private school and belonging to an all-White private club and not employing any negroes in his insurance firm.

Lois Stalvey's husband Ben has been so vocal in his racemixing activities that he lost his job when they moved to a mixed neighborhood in Philadelphia. But, this didn't last long. With Mrs. Stalvey's many leftist connections she was able to land him a job with the U.S. Labor Department. They found just the right position for him to express his anti-White talents. He was hired to help formulate "The Philadelphia Plan" requiring contractors to hire certain percentages of negro workers. In other words Whites had to be laid off to make room for ill qualified blacks.

Lois Stalvey said that recently a black man raped several White women (but not Mrs. Stalvey) in her community. She was outraged when Whitemen in her neighborhood formed vigilante groups to apprehend the vicious attacker. This is when Mrs. Stalvey and her husband stated that "we are now considering the alternative of leaving America. If we do move it will

LOIS STALVEY

be a country immune to the tempting and contagious disease of White superiority."

"Africa seems the safest refuge for us. We have found more justice in black hearts than in White". (Let's hope she moves to Uganda and discovers what living under real black power is really like.)

The brainwashing program has permeated our daily press, the movies and TV. Ben and Lois Stalvey are victims of this diabolical destruction of their innate desire to survive as a

separate racial species. A natural phenomena we see in all the animal and plant kingdom around us is the desire of every species for self preservation.

The plot to destroy all racial pride in our people, to make us ashamed of our own race, began long ago. The Stalvey's "self-destruct" syndrome can best be explained in a statement issued way back in 1912 by the communist theoretician, Israel Cohen. Writing in his book "A Racial Program for The Twentieth Century," he set forth the following plan:

"We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mold them to the program of the Communist Party. The terms colonialism and imperialism must be featured in our propaganda. In America we will aim for a subtle victory. While inflaming the negro minority against the Whites, we will endeavour to instill in the Whites a guilt complex for their exploitation of the negroes. We will aid the negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the negroes will be able to inter-marry with the Whites and begin a process which will deliver America to our cause."

Capital Punishment: Rights Of The Victims?

The Supreme Court decision which declared the death penalty to be cruel and unusual — and a violation of the constitutional rights of those guilty of capital crimes — is not one we consider with joy.

Certainly it is a difficult thing to sit at the typewriter and declare a belief in capital punishment, with fair assurance we will never be personally faced with it.

But we do so declare. We declare the belief in the full knowledge that there is a continuing controversy over capital punishment.

We declare the belief in the full knowledge that because of the continuing controversy there is a hesitancy on the part of most states to implement it even when it is called for by the judge or jury.

The thought of taking the life of another human being is abhorrent to us.

And yet we can declare that we believe in capital punishment.

Capital punishment, the court said in effect, is cruel and unusual.

We certainly agree that it is cruel.

But we wonder about the other side of the coin.

Was it not cruel and unusual for these men, and women, accused of capital crimes, found guilty, and sentenced to die, to have done what they did to achieve this status as victims of a cruel and unusual system of justice?

Is murder not cruel and unusual?

Is rape not cruel and unusual? Is the abducting and molesting and butchering of a child not cruel and unusual?

Is turning a young child into a drug addict not cruel and unusual?

We certainly have to buy the theory that guilt should be established beyond a shadow of a doubt.

But once established, we wonder at a society that says it is unconstitutional to be "cruel and unusual" in our meting out of punishment to those who have cruelly and unusually denied the constitutional rights of others.

If a man commits murder in the act of robbing another, has he not denied his victim of his own constitutional rights?

Does society not have the right, the duty, the obligation to deal in kind?

Or does society face an obligation of protecting the constitutional rights of a murderer or rapist, a kidnapper or drug pusher, when his concern for the constitutional rights of others is totally lacking?

While we believe in the Constitution, we question whether this language which has been lifted from it to save the lives of those who have committed the total crime is not being used beyond its original intent.

Under the guise of protecting the civil rights of a few, we wonder who is shedding tears for the lost civil rights of their victims.

We do not, as it must be obvious, agree with the Supreme Court decision.

1972 XUM

Katyn—Climax To Poland's Age Old Burden

Russia Used Jews After 1945 To Govern Poland

Below from Book, "Behind Communism," published 1950.

► **POLAND:** Poland has shared the tragic fate of Hungary. "The men who dominate Poland" (see Gunther's) are the Jews, Minc, Skryszewski, Modzelewski, and Berman. The first three are of cabinet rank, while Jacob Berman's official position is that of Under-Secretary of State — a minor office. Yet it is this Jacob Berman who is the undisputed boss of Poland.

Berman, a product of the Warsaw ghetto, has lived in Russia, and was installed as dictator over Poland when the Russian armies took over the country. He prefers to work

behind the scenes as much as possible — a device frequently used to hide the Jewishness of communism. Poland's Jewish bureaucracy is perhaps the largest of any Iron Curtain country outside of Russia proper.

JACOB BERMAN

Jews had power to issue early Polish money.

Polish coins bearing Jewish inscriptions. Jews controlled Europe's money supply during Dark Ages.

SPRING CAME TO KATYN

After the Soviet occupation of Eastern Poland in 1939 they rounded up the leadership officers' corps of the country.

Besides the 10,000 officers, 6,000 doctors, lawyers, civic leaders, some university students, police officials and even a few women were carried off. The Red Army moved them to three camps. Thousands poured into the largest camp, known as Pavlishtchev-Bor. Other thousands went to Ostachov and Starobielsk in the same region. Conditions there were austere but hope for freedom was bright. As Spring approached the guards spread the word that the men were soon to be repatriated home. Joy and celebration spread through the camps. When the day for departure for the first to go arrived, celebrations, salutes and "see you in Warsaw", or "look up my parents" were included in the farewell scenes.

For the first to leave, the smiles and laughter soon evaporated. The prison trains were moving East, not Westward toward Poland. The guard was heavy, strange for men about to be liberated! Then the train stopped at Gnesdovo, near the Katyn Woods. In groups of threes, the prisoners were placed in autos and driven to a wood cutters-cottage. Inside this cottage, they were searched for such valuables as watches, rings and jewelry. This last bit of loot was to go into the Communist treasury.

They were then marched from the cottage forty yards or so. Ordered to place their hands behind their backs, their wrists were tied together with wire or cord. Those who protested were slammed into the ground and their mouths jammed full with sawdust. Some were bayoneted or their heads smashed in by rifle butts. Many died without any further struggle, while others had multiple bullet wounds indicating resistance.

Most were marched to the edge of a deep pit. One can but imagine the horror that filled their eyes as they looked down into the man made gorge. Along the walls of the deep pit Jews were busy stacking the bodies one on top of the other, 12 high. Each body faced the opposite way of the corpse lying underneath it. Thus the bodies resembled sardines packed in a can. In the center of the pit all was chaos. Here the bodies fell into huge pools of blood which splattered on the hard working Jews who had to walk upon other bodies to separate them and drag them to the walls for stacking. The reason for the careful body placement was that 5,000 men were destroyed in this one pit and it was vital that there be made room enough. The job was to be done as quickly as possible. It took the gory butchers 24 days. Then, they dug other pits.

As the days went on the stench became unbearable and the executioners had to wear masks. Some Poles struggled before Jewish officers like Maj. Joshua Sorokin were able to place the single shot into the backs of their heads. Some bodies later exhumed by German forces in 1943 had their coats thrown over their heads and tied in front of them. Thus the single spent shot went through their coat and into the brain. Exhibiting their rabid hatred for Christianity, the Jewish killers sepa-

rated the priests from the others. The German forces, who later discovered the graves, called in the Red Cross and representatives of neutral nations to bear witness to the atrocity. They found that the priests had been tortured, beaten and had had their jaws or skulls smashed before receiving the final shot in the back of the neck.

After the carnage, the NKVD murderers busied themselves smoothing over the land and planting trees and shrubbery over the massive grave.

A DEATH DIARY

Recovered from the bodies by the advancing German troops were letters and diaries that give us the final horror that these brave men were to endure. The following was taken from a dead major whose body was removed from the pit at Katyn. It reads:

Sunday Morning, April 7, 1940.

Yesterday another search at the Skit. Lunch at the club. 2:55 p.m. Finally leaving Kozielek, going home.

4:55 p.m. Debarked trucks, now at depot. Boarding prison cars? Is that all they have on the Russian RR? 12 of us in a compartment for 6.

Monday Morning, April 8, 1940.

3:30 p.m. Finally pulling out, but moving East, why?

9:00 a.m. Jelnia Station — still moving East?

12:00 Still at station, what is the delay?

Tuesday Morning, April 9, 1940.

5:00 a.m. Guards moving everyone off. Into cars.

6:30 a.m. Must scribble, into woods, like a country house. Removed watch, knife and ring?

That was the last entry in that Polish officer's diary. There they perished at the hands of their worst enemies. Spring had come to Katyn. May found the flowers and shrubs sprouting life. Every April let us all remember the coming of Spring to Katyn and the men who still lie there. In their name let the cause of freedom and liberty live on in the hearts of men and women everywhere. Let us all know that communism and zionism have not changed. They both seek the enslavement of the world. Let the sacrifice of the Poles at Katyn guide us to be ever vigilant against those such as Jew Henry Kissinger whose every effort is to bring us together with the communists of Russia and China. Let us all beware!!

ISRAELI NOTE: Israel has more doctors per capita than any nation in the world. Settlers in the nation's far flung rugged outposts in the occupied Arab territories complain about the lack of physicians. It seems that Jew doctors prefer the central cities where the life of ease abounds for them. As one official explains, "Once a Jew has achieved money and status, his desire to be a pioneer disappears."

New York—Jews Have Own Public Housing

PUBLIC HOUSING FOR JEWS ONLY

The federal courts have held that all public housing must be integrated. For this reason blacks have been moved into White projects all across the nation. Once there they use terrorism to drive ALL the Whites out. Muggings, vandalism, and even rape are used against those who fail to vacate fast enough.

At one time poor Whites had over half of all public housing in the metropolitan areas. Now it is occupied mostly by blacks, Mexicans and Puerto Ricans. We thought this condition was similar nation wide, but such is not the case. "The New York Daily News" has revealed that the New York Housing Authority has constructed two high rise "showcase" 23 story apartment towers FOR JEWS ONLY! The complex even has especially designed elevators which will automatically stop at every floor on Saturdays for Orthodox Jews who are not supposed to operate anything mechanical on their Sabbath.

The Jew dominated New York Housing Authority had planned to move these Jews out of older, run down public housing scattered throughout the East Side and into this new luxurious accommodation. Puerto Ricans on the waiting lists for public housing had been slated to move into the deteriorated and vacated Jewish apartments.

Then they got word of the new plush accommodations for the Jews. The Catholic Archdiocese of New York backed a suit brought by Puerto Ricans demanding equal access to the new apartments. Rabbi Semour Nulman of the "Jewish Community Council" protested stating: "We are trying to stabilize the neighborhood and keep our people within one area. It's an important thing for us to be near our synagogue, our butchers, our institutions. There is a synagogue across the street.

What is at stake here is the preservation of our own kind."

This statement is well and good for Rabbi Nulman. The only trouble is that the integration of public housing all across the rest of the nation has been supported by every Jewish social organization. Jew Jack Greenberg, head of the NAACP Legal Fund, has filed many suits to help accomplish this purpose. It is all right for White Christians to be forced into intolerable living conditions in close proximity with blacks, but the Jews will not tolerate it. Our people are supposed to carry the burden of integration while the Jews seal themselves off from it.

A federal court in New York has ordered that some of these new apartments be made available to Puerto Ricans. The city has stalled any implementation of the court order and no one has been able to move into the two high rise apartments. They have 360 apartments each and there is a severe hous-

ing shortage in New York City, but since the Jews can't have their way, no one has been able to move in. The facility has been ready for occupancy for over 3 months, and the "N.Y. Daily News" describes it as having a "ghostly look", standing empty amidst its teeming neighborhood.

It should also be mentioned here that when a huge public housing project was announced for all Jewish Forest Hills (Bronx) last winter the Jews were up in arms. Thousands of them demonstrated, fire bombs were tossed at the project and administration officials' lives were threatened. The all negro housing project has been indefinitely postponed. If Jews are able to avoid forced integration with the criminally inclined blacks, why can't White Christians also be able to preserve our own kind and stabilize our neighborhoods. What's good for the goose should be good for the gander!

Suit Hits U.J.A. Tax Deductible Status

In 1936 the Internal Revenue Service granted "United Jewish Appeal" a tax deductible status for their "charitable work" in helping Jews leave Europe. Since 1948 UJA money goes to an Israeli government bureau called "The Jewish Agency." This money is spent on building the Jewish state and for political and propaganda purposes. All a direct violation of the IRS code for tax deductible organizations. Jewish businessmen in America have been able to write off their income tax the \$2.5 billion they have given Israel since 1948. The Christian taxpayer has to make up the difference in higher taxes. Seven plaintiffs have filed suit in Washington asking that

the tax exempt status of UJA be revoked. Filing the suit are Prof. Norton Mezvinsky of Connecticut State College; Michael K. Ross a state legislator from Seattle, Wash., Edwin M. Wright, a retired State Department diplomat, L. Humphrey Walz, a Presbyterian minister, Norman Dacey, author of "How To Avoid Probate" and a financial consultant and two other professors.

If this suit is successful it means that Jews will no longer be able to avoid payment of income taxes by shipping their excess profits to Israel. This is a vital case of interest to every taxpayer. THE THUNDERBOLT will keep you informed as to its development.

Renew Your Sub On Time

Stalin Chose Jews To Slaughter Poles

THE FINAL SECRET OF THE MASSACRE OF POLES AT KATYN

The name "Katyn" will live in infamy as one of the fiendish sites in history in the slaughter of innocents. It happened 32 years ago in the Katyn Forest near the city of Smolensk, Russia. A U. S. Congressional investigation in 1952 placed the number of Poles murdered at 12,000, but the true figure is closer to 15,600.

After the 1939 Soviet invasion of Poland and its subsequent occupation of the Eastern half of the country there began a round up of all Polish officers, and those considered political leaders in their communities. Removed to Russia were 10,000 officers and 6,000 civic leaders and police officials. They comprised the real base of the nation's intelligentsia — the prisoners constituted the doctors, lawyers, professors and other leaders of this devoutly Christian and freedom loving nation.

Joseph Stalin's plans called for the eventual communizing of the entire Polish nation and these prisoners were considered an obstacle in his plans for enslavement. Polish leaders in the exile government in London later imagined Stalin must have thought "These men are a danger. Here is talent and valor! They must not live to sire a whole herd of hostile Christian thornbreds." Stalin decreed that they be executed. Super-secrecy was imposed on this fiendish scheme. The free world was supposed to never learn the fate of the elite of Eastern Poland. The plan called for them to simply disappear from the face of this earth never to be heard of again.

The wooded area was sealed off from the outside world. Local residents were moved away. The prisoners were to be executed in quick succession, three at a time at the edge of huge pits into which their bodies were thrown. The bloody job was to continue day and night for 24 days, beginning on April 2 and ending on April 26, 1940.

"CHOSEN PEOPLE"

PERFORM THE SACRIFICE
Joseph Stalin had no problem. The cold blooded slaughter of 16,000 people is not a task which can be delegated to an ordinary soldier, or even a professional hangman. In fact there are very few people indeed who are capable of administering such butchery day in and day out. Lavrenti Beria, the diabolical Jew who headed the dread NKVD secret police, held the answer.

For several centuries the Jews and Poles had been enemies. The reasons are long and historical. Jews even to this day claim that the Poles are the most anti-Semitic of all nationality groups. They have falsely charged the Polish people with persecuting them down through the ages. Indeed battles did break out between the Poles and the Jews over a 200 year period. The Jews persecuted the Poles.

Few people today understand the background of this problem. Professors of political science tell us that anti-Semitism increases with the percentage of Jews living in any given community. A report from Jewish

sources in this issue of THE THUDNERBOLT confirms this fact in a study of the rise in anti-Jewish sentiment with the increase of Jews in any given school.

No Christian nation in the history of the world had to endure the presence of so many Jews over so long a period in history as have the Poles. For over 100 years the Jews averaged around 10 per cent of Poland's population but were concentrated in the larger cities where they often numbered between 25 and 30 per cent. They long dominated commercial life in Poland. Their sharp business practices and notorious practice of usury kept them in constant conflict with their Polish neighbors. At one time the Jews had the leaders of Poland so in debt to them that they even gained the power to issue the currency of the nation. Note reproduced cut of early Polish coins with Yiddish inscriptions thereon.

The Jews hated the Christian rulers of Poland as well as the Czarist rulers of Russia. Russia occupied most of Poland from 1831 until 1919. The Jews were the foremost supporters of the Bolshevik revolution in its early days. They were eager to work for the Jew Leon Trot-

sky (real name Bronstein) and Lenin (a half-Jew) to set up an anti-Christian communist state. A majority of Russia's early Red leaders were Jews. Over half the world's Jewish population resided in the Polish-Russian areas in 1918. By 1939 Poland was saddled with the largest Jewish population in the world next to Russia. There was an astounding 3,113,900 Jews in the pre-world war nation of Poland. This crushing burden is even more understandable when one considers that Poland was then no larger than the state of Texas. Natural Jewish divisiveness and cunning had long kept Poland a weakened power in presenting the world with a unified country.

Jews in the Soviet occupied portions of Eastern Poland welcomed the Red Army as liberators in 1939. Many of the Poles removed from local political office were immediately replaced with leftist radical Jews. The Communists knew that the animosity between Christians and Jews would give them loyal allies in controlling the occupied Polish land.

WHY STALIN CHOOSE THE JEWS

This is the reason both Stalin and Beria decided that those who actually were to commit the slaughter of the captured Polish officer be Jews. There were many fanatical Jews in the Red Army and NKVD secret police at that time. Those with Polish backgrounds and strong anti-Christian views were picked as ideologically capable of carrying out this slaughter of the intelligentsia of Eastern Poland.

This information was verified for the world on July 21, 1971. A Polish Jew named Abra-

ham Vidro, now living in Tel Aviv, Israel consented to an interview with the newspaper "Maariv." He revealed the names of three Jewish officers in the NKVD who participated in the actual extermination of the innocent Poles.

Abraham Vidro gave their names as Soviet Major Joshua Sorokin, Lt. Alexander Suslov and Lt. Samyung Tichonov. The butchery was almost too much for even those dedicated anti-Christ murderers in the communist secret police. Vidro met the three men in a rest camp for fatigued Soviet officers. He said that Maj. Sorokin confided in him:

"The world will not believe what I witnessed." He made Vidro swear that he would not repeat the story until after 30 years had passed so that there would be no retaliation against him or his family. Vidro stated:

"A Jewish major in the Soviet security service (NKVD) and two other Jewish officers admitted to me they cruelly murdered the 12,000 Polish officers in the woods of Katyn after the outbreak of World War II."

Abraham Vidro quoted Lt. Suslov as stating: "I want to tell you of my life. Only to you, because you're a Jew, can we tell everything. It won't make any difference for us..."

"I killed the Poles with my own hands. I shot them myself."

The Communist Party leaders knew that only those with a violent hatred for the Poles would be capable of participating in such a carnage. Since the Jews have long held the Poles out to be the most anti-Semitic of all peoples, the Soviets decided that they could trust them with this liquidation of the cream of Polish leadership. At the outbreak of World War II many thousands of Polish Jews fled to Russia for safety. When the war ended they returned with the Red Army. They were immediately installed as trusted leaders of state by the Communists who have never trusted the devoutly Christian Poles. Jacob Berman was the first Jewish ruler of Poland after the war (see photo insert). Later he was replaced by Wladyslaw Gomulka whose wife was a well known Jewess.

Despite the Soviet intention to use Jews to hold down their arch enemies — the Polish people — the struggle to erase this age old grasp of the Jew continued on even within the confines of a communist run society. Several bloody revolts against Soviet domination by the freedom loving Poles have taken place, and internal pressure has forced the removal of most Jews from high office, including Gomulka.

Even with Communist control protecting the Jews, the Poles have just about won their freedom from at least the Jewish oppressive existence in their society. At the end of World War II there were 100,000 Jews in Poland, today their continued exodus has reduced this number down to about 20,000. The Poles are a nation of people who have fought for many hundreds of years for their freedom. Indeed Europe as a White Christian continent must look to the fearless and courageous Poles for their past sacrifices.

It was John III Sobieski, King of Poland, who in 1683 sent his forces to join with German and Lorraine troops at Vienna. Here they routed the Moslem Asiatic hordes from Turkey. Had the Turks succeeded we would not have a White Christian Europe today. Later it was Marshal Jozef Pilsudski who stopped the Jew Leon Trotsky, first head of the Soviet Army, after his attempt to overrun Poland in 1920.

Poland is now again a captive land under alien domination. But the spark of freedom still burns fiercely in the hearts of all Poles. They will one day regain their full freedom because of their patient and unceasing quest for eventual freedom. Thus we shall light a candle for the thousands of dead at Katyn. Remember them always so that the fight for Liberty will never die and their deaths shall not have been in vain.

TAX PROPOSED ON JEWS LEAVING ISRAEL

Jimmy Wisch is editor of "The Texas Jewish Post" in Dallas — Ft. Worth. He charges that the Soviet emigration tax is aimed solely at Jews. He fails to mention that only Jews are given the right to leave Russia and other minorities, Ukrainians, Volga Germans, Balts and many others would gladly pay the same tax if they could leave the Russian prison. Only the Jews are organized into a world wide lobby which can bring about such pressure for special privilege.

Americans have been almost washed away in Jewish tears crying over the immigration tax being charged the small number leaving Russia. Golda Meir could get the "Hypocrite of the Year" award for her calling this tax "blackmail, slave payments, ransom." It seems that in 1962 the ruling Labor Party of Israel introduced a similar law requiring Jews leaving Israel to repay the government for any free university training they received. It was established that Jewish physicians having received six years training would have to pay \$7,000. (The Russian tax is about \$5,400.) Israel was complaining of a "brain drain" at the time by Jews seeking to immigrate to America where they would make more money from their college degrees.

The bill was dropped in 1965, but it certainly shows that this is a phony issue. Perhaps it is designed to pave the way for Jewish proposals that U. S. taxpayers pay the tax for the Jews so they won't be out the money. Nothing is more painful for a Jew than to have to pay money for anything that does not increase his personal luxury.

Abraham Vidro (Wydra), a Polish Jew who served Russia during World War II. He revealed Jews were picked to kill Poles at Katyn.

Report From Israeli Paper, "Maariv"

Wydra told the Israeli newspaper Maariv that three Soviet Jewish officers who either participated in or witnessed the killings told him of the massacre. He said he was sworn to secrecy at the time but wanted to tell the story now before he died.

He named his informant as Soviet Maj. Joshua Sorokin who he said admitted taking part in the mass killings early in the war.

Maariv quoted Vidro as saying "A Jewish major in the Soviet security service and some other Russian officers admitted to me they cruelly murdered the 12,000 Polish officers in the woods of Katyn after the outbreak of World War II."

At a second labor camp two years later two other officers said they had taken part in the killings. Wydra said. He said they confided in him because he was a Jew.

He said one of the officers identified as Lt. Alexander Suslov told him "I want to tell you the story of my life. Tichonov (the second officer) and I are the two most unfortunate people in the whole world. I killed the 'Polacks' with my own hands. I shot them."

NSRP Steps Up Meetings and Demonstrations

METRO — STONER LEADS ATLANTA DEMONSTRATIONS

The Metro-Atlanta area Chapter of the National States Rights Party held two street demonstrations last month. One was outside the Columbia Mall Sears store. NSRP marchers were protesting management's surrender to negro radical Hosea Williams demands that special job right be given to blacks. The store also gave in to proposals that all have blacks promoted over White employees and more blacks hired on a quo-

ta basis.

Many employees came out of the store to greet the pickets. Also, the response from passers by the 95 percent favorable. Handbills were distributed to everyone entering or leaving the store explaining our stand on the problem. Channel 11, "Pro-News", gave the demonstration top coverage.

BLACKS DEMONSTRATE FOR RAPIST

Two black youths recently raped a 77 year old White lady in Smyrna (a community which borders Marietta, Ga.) A local

negro church saw fit to demonstrate for the rapists. As usual they charged "police Brutality." The real issue is law and order and stopping black rape of White women. The blacks are trying to take the public attention away from the crime of rape and make it into a case of "police brutality." Therefore, they have called the FBI to investigate the police, instead of the rapists. Nothing is said about the civil rights of White women who are too often victims of such rape attacks.

Negroes in Metro-Atlanta commit 90 per cent of all rapes. Yet they are only 20 per cent of the Metro-population. Once again many White people cheered the NSRP demonstrators and Attorney J. B. Stoner for leading the counter protest against the Black demonstrators. A number of police officers let us know that they appreciated our supporting them in this case.

The NSRP has been holding regular monthly meetings in Atlanta. Each one has been larger than the last. All local area supporters will receive an invitation to our next formal meeting next week.

MEETINGS IN CHICAGO, ST. LOUIS AND JACKSON, MISS.

The National States Rights Party held several important meetings in the mid-West last month. Dr. Edward R. Fields spoke at a meeting of the Southside Chapter of the NSRP in Chicago. There was a good turnout by local supporters. Karl Fabian and Kim Badynski also spoke. It was agreed that the Party should step up its efforts to help people in the local area oppose the despicable scheme to alter school boundary lines so as to place more unruly blacks in White schools.

It is most important that we let the public know we are opposed to integration on RACIAL GROUNDS and not just because we don't like "crowded schools" or "busing." Race mixing leads to brutality against White children and abuse of White girls by criminally inclined blacks. White children who do make close friends with blacks and grow up to accept integration are open to interracial marriage. This leads to mongrelization of the races and a lowering of the intelligence level of their offspring.

Therefore we would favor "busing" of our children away from integrated schools into all White schools. We would favor sending our children long distances to ALL-White "crowded" schools! We must help the masses of our people to oppose hypocrisy and stand four-square for nature's intended PRESERVATION OF THE WHITE RACE!

These were the subjects stressed to the people at the Chicago meeting by Karl Fabian and Kim Badynski.

St. Louis found us visiting many old friends, some we have

known for the past 20 years. It was like a reunion of old comrades, who have stuck together so long, through so many battles. Dr. Fields, Chapter Leader Lyril Wright and Allen O. Kern spoke. We look forward to returning to St. Louis again soon because we know this is a city that is READY for the NSRP.

Jackson, Miss., has been very active lately. Attorney J. B. Stoner recently spoke there at the Holiday Inn to a large crowd. During the meeting an enemy jumped up and said: "Martin Luther King is the greatest American who ever lived." This man was White, believe it or not! Young Danny Hawkins, an NSRP supporter, jumped up and smashed the race-traitor in the mouth, sending him flying to the floor. The scum then filed a complaint against Danny with the police. In a following court hearing the judge ruled that no one had the right to go into a theatre and shout "fire." This is what the race-mixer did when he came into our private meeting hall and shouted for King. The case was dismissed.

Bob Weems recently represented the NSRP on a two hour radio talk show. All members state he did an excellent job in explaining our stand and in responding to many questions. Paul Jackson recently organized the booth we had at the Mississippi State Fair. Several thousand copies of the special issue of THE THUNDERBOLT, with the article on Sen. Bilbo, were distributed to interested Mississippians. Half-way through the Fair's week disorderly Jews created disturbances in front of our booth. No blows were traded because there were always plenty of Fair security guards there to protect the Jews. Finally they used these events to close down our booth — which is what the Jews actually wanted in the first place. Regardless, the next day, NSRP members reappeared in front of our closed booth and continued the FREE distribution of THE THUNDERBOLT. They got the message out despite the best efforts of the enemy to keep the truth from reaching the people.

The Jackson Chapter has much more activity planned and it will be reported in these columns in the next issue.

STONER TOURS

J. B. Stoner, National Chairman of the National States Rights Party, returned from trip to the Pacific Coast in early October. He attended meetings of the National States Rights Party in Mississippi, Louisiana, Texas, New Mexico, Arizona, California, Utah, Colorado, Missouri and Tennessee.

Stoner was especially interested in defying the Jewish Defense League in Southern California. The JDL is for freedom for Jews only and tries to suppress the freedom of speech and assembly of all White Christians. When Stoner was in California, the Jewish Defense League was afraid to show its Satanic head.

Mrs. Agnes Klein, an outstanding NSRP Organizer, presided at the meeting in Bi bank where Mr. Stoner spoke to an enthusiastic meeting of the National States Rights Party. Stoner appreciates the fact that White racists are as numerous in California as in Georgia. If you live in California, either join an existing NSRP Chapter or join with others to form new chapters. To more actively work with the National States Rights Party in Southern California, phone Mrs. Agnes Klein in Pasadena at (213) 795-1315. It should be a good year for NSRP in California and the NSRP should be able to recruit candidates for public office there in 1974. More power Mrs. Klein and the California NSRP.

SMYRNA PROTESTS

Black Power, White Power

By PAUL BEEMAN

Black power met white power at the city government complex in Smyrna Saturday as demonstrators for two youthful black rape suspects who were allegedly beaten by police were greeted by white racist J. B. Stoner and some of his Confederate flag-waving cronies.

About 40 marchers left a church in a black neighborhood just outside the Smyrna city limits and marched in a light drizzle to the City Hall. The group, led by the Rev. Fred D. Taylor of the Southern Christian Leadership Conference (SCLC) was protesting what the marchers called police brutality in connection with the arrest of Stanley Kelly, 17, of 121 Argo Drive and Michael Lee Evans, 19, of 64 Gordon Circle.

TAYLOR said the Smyrna youths were beaten after being arrested October 8 by city police on a charge of raping a 66-year-old woman.

The blacks, mostly in their late teens and early 20s, carried signs calling for an end to alleged police brutality and the dismissal of Smyrna Police Chief Robert Drake.

The black group held its demonstration in the street in front of City Hall while Stoner and nine other men marched circularly in the police station parking lot 200 feet away.

Between the two groups were about 20 uniformed Cobb County police officers, many of whom had escorted the blacks on their two-mile walk to City Hall.

STONER's sign read "Whites unite against black

rape" and the signs of others said "Blacks commit 90 per cent of all rapes" and "Rapists should be beaten."

Stoner said he was there "protesting against black racists." He said the brutality allegations were "a standard false charge made by niggers against police all the time."

He added "their leaders ought to tell them to obey the law and quit raping white people."

Taylor asked himself "Why are we marching today?" and then explained, "We are attempting to get Mayor (John) Porterfield and Chief Drake around the table for the purpose of discussing the brutal beating of our young brothers Evans and Kelly."

He said the mayor refused to meet with community blacks and said that as far as the mayor was concerned, the matter was closed.

"We have come here today not to determine the guilt or innocence of our brothers," Taylor said. "We are sophisticated enough to know that the decision has to be made in a court of law."

THE BLACKS made five demands of the city:

— An investigation of the brutality charges by the State Division of Investigation and a citizen committee.

— Round the clock protection for witnesses of the alleged brutality.

— Suspension of the officers without pay until the investigation is completed.

— A place on the agenda of the Nov. 6 City Council meeting.

— The creation of a liaison committee of citizens to work with the city and the police

department.

Mayor Porterfield said any requests in writing will go be-

fore the whole city council. Taylor said the mayor would be given a copy of the demands on Monday.

previously visited California and some of the other states before. However, it was his first trip to Salt Lake City. Utah is a large state with a small population. As was the case everywhere else, he found NSRP members who are dedicated White racists and 100% against the Jews. As elsewhere, they love our great White race. Many traveled long distances to be at the meeting where he spoke. Mr. Stoner was especially impressed with the beautiful scenery in Utah and neighboring states. It was a great honor for Mr. Stoner to speak at a meeting in Salt Lake City with several officers of the chapter who were generous hosts: Mr. Herbert Ludwig, Chapter Leader, Dr. Bob Thompson, Secretary and Mr. Alfred Caddy, Treasurer. Under their capable leadership, we can expect much of the NSRP in Utah.

On his tour, Stoner found that more people are waking up to the dangers confronting our White race. We urge every member all of the way to California and back to sign up two new members who are loyal White racists so that we can lunge ahead in 1973.

J. B. Stoner will make another trip to California early in 1973 to assist Mrs. Klein with an organizing drive. On the same trip he will visit the NSRP in other western states. If you wish for him to speak and visit in your area at that time, be sure to notify National Headquarters.

Palestine Enslavement

By Rev. Jerry Hardy
Belfast, Northern Ireland

We will not dwell on the details of the Six-Day Pearl Harbor launched by the Jews on the Arab people, nor on the use of napalm against defenseless civilians at the same time when young Jewish 'radicals' in the United States were crying out against it in Vietnam, nor on the establishment of concentration camps in Israel where thousands of Arabs are confined in appalling conditions — camps that are euphemistically described as 'refugee camps,' but which even the Red Cross has condemned. No, we will pass on to the latest outrage against the dispossessed and abused people who were once living peacefully and harmlessly on their own land. We refer to the following quotation from *Private Eye*, 2 April, 1972:

"A new and interesting policy is now being pursued by the Israeli Government in the Gaza strip. According to the daily paper *Davar* on March 20th, some 120,000 dunams, approximately a third of the land area of all Gaza, have been "confis-

cated" from Arab owners and parcelled off for Jewish colonization. There are now seven settlements of Jewish colonists in the area.

"A great deal of fencing and destruction of property is going on, whose purpose, according to *Davar*, is "to divide the Northern part of the Gaza strip from any Arab territory, and eventual ly to divide the whole strip into parts which will then be joined administratively to different parts of Israel. The Government hope to achieve the aim of destroying the Arab character of this area so that it will become an integral part of Israel."

"The project is expected to displace the entire rural Arab population of Gaza (about 80,000 people; which will be driven into the shanty towns around the strip's three main urban areas — Gaza, Han-y-Unit and Rafah.

"The colonialization is being accompanied by propaganda efforts conducted by visiting Rabbis who have urged on the colonists with the information that the sons of King David never managed entirely to conquer Gaza, and that there is every chance now of improving on the example of their biblical ancestors.

"No Government spokesman has yet made any public reference to Article 49 of the Geneva Convention on the Protection of Civilians in time of war, which reads as follows:

"Individual or mass forcible transfers, as well as deportation of protected persons, from occupied territory to the territory of the occupied power or to that of any other country, occupied or not, are prohibited.

"The Occupying Power shall not deport or transfer parts of its own civilian population into the territory it occupies."

The Jews themselves have been foremost in urging on the so-called Genocide laws in various countries, but we find them practicing the same ruthless extermination and suppression programme against the Arabs as any ever claimed to have been perpetrated by Hitler against the Jews.

When a handful of displaced Palestinians launch attacks on Israel, the Jews have used this as an excuse to wipe out whole villages and wage all-out war against surrounding states and seizure of their territory.

WHITE self-hate MASTER STROKE of the enemy

Letters to the editor

Chicago Will Tolerate No More Mixing

FORCED RACE MIXING IN CHICAGO

Editor, The Thunderbolt:

Another black animal murder has occurred here on the south side. A White 16 year old girl was brutally cut down by these filthy beasts. I intend to distribute 1,000 copies of the Thunderbolt in this neighborhood to awaken the people to the Black terror menace. This makes the second innocent White girl that has been murdered by these sub-human cowards in only the last few months. How many more have occurred without being reported by the Jew run pro-nigger press?

To top this outrage off, the scum federal judge Austin has ordered nigger housing units in all White areas. The CHA has selected 518 new sights, which will be approved by the Federal District Court and the Fed-

eral race mixing traitors.

I intend to unite Whites against the C.H.A. plot in the areas affected by these housing sights. I will install mimeographed sheets in the Thunderbolt I distribute in these areas calling for opposition to the CHA and the Federal mixers. If possible an anti CHA march will be held in the affected areas.

This treason has gone too far! How much more can the White people put up with! I think the time for militant action has come! Traitors must not be left unpunished. Their "day" will soon come.

WhitsPower!

Report On European Congress

PATRIOTS UNITE AT EUROPEAN CONGRESS

Editor, The Thunderbolt:

Thank you for your letter of Oct. 19, as always it was good to hear from you.

The European Rightist Congress was held in a suburb of Munich, Germany in a large meeting hall beautifully decorated with flags of 19 of the nations represented. The security measures were the first thing I noticed — and most impressive. The first person I met was a young German who told me " . . . we must begin to work together." This tells the whole atmosphere of the Congress. I have never been in a more friendly or warmer place. The opening speech proclaimed "our message goes to the oppressed."

The main theme was a United States of Europe. Prof. Dr. Bolko Von Richthofen in his speech twice stressed the importance

of giving the US a more active role in this goal.

I later talked with him and was most impressed with his sincere friendship. The highlight came when the Congress received a telegram from 14 Romanian athletes, who had just defected, giving their best wishes for our cause. The meeting was attended by at least 600 people. As I introduced myself as an American it was a standard question, "What can you tell me about the NSRP? What are they doing? How large are they? etc."

The next Congress will be held in Spain. I have mailed copies of the Thunderbolt to Spain, France, Italy, England, Germany, Austria and Denmark. I am very much looking forward to talking with you again.

Your Comrade,
D. Ray Newcomb
Richmond, Va.

TRUTH ABOUT "MILWAUKEE JOURNAL"

Editor, The Thunderbolt:

I have enclosed a few newspaper items of interest, mainly to show the radical influence that is imposed upon the people of Wisconsin.

As you possibly know, the Milwaukee Journal is the most flagrantly pro-everything that is against pure Americanism. It is pro-Negro, pro-bussing, pro-Martin Luther King, anti-Wallace, anti-Klan, anti-Minuteman, anti-Thunderbolt, pro-gun control, registration, and the outlawing of all hand guns. The Journal owners also own and operate the Milwaukee Sentinel which they publish along strictly conservative patriotic lines, which gives the Journal the great Jewish advantage of straddling the fence or playing both sides of all issues. The Journal employs many Negro reporters and these reporters are continuously being featured as journalistic geniuses, and several of these reporters alternate in writing a column in the Sunday Journal in which they present a distorted word picture of the "tragedies" of the black's daily lives.

The Green Bay Press-Gazette, items from which are also enclosed, was a good paper at one time, but for the past several years it has been gradually turning toward the far left.

It is gratifying to have publications such as The Thunderbolt that gives the people the truth of what is happening to our country. Keep up the good work.

Yours sincerely,
G. C.
Shawano, Wisc.

GLAD HE VOTED FOR STONER

Editor, The Thunderbolt:

I am writing in reference to your September, 1972 article of Atlanta Blacks Demand Freedom For Murderers.

I think it is a tragedy the way Mrs. Betty B. Davis was gunned down by Emily Butler. It just goes to show once again you cannot trust a negro. I have read in your recent issue of White children being beaten and murdered by the black savages in school and I think we should do something about it, I am behind The Thunderbolt and the National States Rights Party 100 percent.

I have a three year old daughter and I am already trying to raise her the right way.

I believe in us White people sticking together and fighting for what is right.

Out of the 40,675 votes Mr. Stoner received my wife and mine were 2 of them. We supported Mr. Stoner because he told people what it is really like.

Sincerely
L.V.

Integration Breeds Destruction Of White Race

Negroes Against Civilization

"The Way It Is"

By William Redford
Police Officer
Southern California

The time is long overdue for the "finger of guilt" to be pointed directly at the guilty. The White people of this country are being constantly bombarded, thru the press and news media, with carefully censored stories of how the minorities are mistreated and constantly looked down on by the White people. Stories of negro brutality against the White citizens of our country are not printed. As the readers of this article know, I am a policeman and I can give you first hand accounts of these out and out atrocities against our White brothers. Helpless White men and wom-

en being beaten, shot, raped and robbed by crazed black savages in our cities. Beautiful neighborhoods are being overrun by the black hordes and turned into slums, schools are reduced to animal cages, teachers assaulted, raped and robbed, blacks account for over 80% of all crimes in every major city across the nation—Why? Why? Why? Let's start at the beginning and review written history.

Anyone with the average knowledge of world history will admit that the White race has been out of the jungle for approximately 4,000 years. The African negro, approximately 200 years. Thus we are 3,800 years more advanced and civilized than the blacks and always will be. Our country, in less than 200 years, has, thru the hard work and efforts

of its White citizens, advanced into the space age. Black Africa, since the dawn of time, has advanced all the way up to the use of the bow and arrow. The Black African way of life is simple — if you want money just hit someone on the head and take it. If you want food, steal it — if you need sex, rape someone.

Add a modern touch to the American black nature — If you need a car, steal it — If you need liquor, rob a liquor store — etc., etc., etc. and you have our wonderful American nigger.

As a minister once said, "When God created this wonderful world and put all of the beautiful things in it to live and prosper he made one error — the worthless blacks."

This is our cross to carry, the millstone around our neck, the plague we are forced to live with.

The answer to the problem of this black plague might never be found, but we must continue to resist, to oppose and to fight it in every way we can, and point the finger of guilt at the guilty.

Support your White Christian organizations. Don't give in to the daily brainwashing that is forced upon us, and thank the heavens for publications like the Thunderbolt.

Editor, The Thunderbolt:

Twenty years ago our liberal politicians explained that all our poor unfortunate negroes wanted was a decent education. Our southern legislators who know negroes for what they are tried to argue that integration would lead to intermarriage. Our liberals shouted that it would not. **It has now led to intermarriage.** The situation has become unbearable. I see every day that the White race is being dragged down to the level of the worthless blacks. Under our present laws there is no way to prevent it. It will get worse. White children go to school unarmed, untrained in street fighting, and as independent peace loving American Christians.

Whereas in the past our liberals shouted that all the blacks wanted was a decent education, I would like to point out that all our White children want is a decent education, but they have now been deprived of even this due to integration. The worthless negroes go to school with years of street fighting experience; they all carry some sort of weapon such as sharp pointed 3 inch long steel toothed combs stuck in their bushy hair which they use as weapons in street fights, as well as knives, and even pistols. They never travel alone. They always go in gangs of 5 to 10 or more black animals constantly harassing our White children, slashing, maim-

ing crippling and even castrating, and blinding them at will not to mention forcing them to submit to acts of sexual perversion, rape, etc. as well as occasionally murdering them when they resist. While these things go on daily, the Jew controlled radio, television, and newspaper and magazine industries never mention it. Whenever it is brought to the attention of any public official the liberals reply that White people are guilty of committing the same crimes. Well, you know all these things as well as I do, but I just wanted you to know that these same crimes go on daily in Portland, Oregon just the same as they do in Chicago, New York, Los Angeles, and Washington, D. C., but the news services don't carry such stories and you think only your city has a black crime wave.

I have a job which permits me to see personally the above mentioned crimes on a daily basis. There is only one solution, and that is a divorce from our so called black brothers. When a man and wife can no longer live together our society suggests a divorce. I think it's time we divorced ourselves from these worthless black savages, and shipped them out of the country the same way they are shipping White people out of their African countries.

Membership Application

The National States Rights Party is by far the largest White Racist political Party in America. Both Democratic and Republican Parties have betrayed the White People of America. The NSRP is the last hope of the Whiteman to save our White Christian Civilization.

The NSRP is the only political Party vigorously defending White Rights throughout America today. Gain the personal satisfaction of knowing that you are doing your part to bring about a better society in which to live.

Compare our Party Platform with that of the left-wing Democratic and Republican Parties. Only within our ranks can you find the full answer to the grave problems facing the United States.

Join the National States Rights Party and become an active part of the dynamic crusade to save our Race and Nation. Simply fill out the application blank below.

NATIONAL STATES RIGHTS PARTY MEMBERSHIP BENEFITS

All Members receive "The Thunderbolt" newspaper, membership card and a copy of the NSRP Platform.

The right to attend Members-only meetings and vote on Party policy and election of officers; practical training in the field of political action and the opportunity to meet and work with other Party Members in your area. The deep personal satisfaction of knowing that you are a part of the largest right-wing political Party in America, forging a sword of steel that will cut away the chains that shackle the Whiteman in America.

MEMBERSHIP APPLICATION FORM

I am a loyal White Christian and wish to do my part to save the White Race from racial integration by becoming a member of the NSRP. Please rush my membership card. I will be proud to stand shoulder to shoulder with my brothers in the NSRP to save our Race, Nation and Faith from Communism and mongrelization. Enclosed please find my yearly dues of \$10.00

Scandal Behind Russian Grain Deal

JEWS CLAIM ANTI-SEMITISM GROWING

Dr. Charles Y. Glock of the University of California has conducted a five year survey into anti-Jewish sentiment in America. He came up with findings which are very disturbing to Jewish leaders. He found that 15 to 20 per cent of adolescents are very anti-Semitic, 60 per cent show signs of anti-Semitism and only 20 per cent had no bias against Jews.

He also found that - "a third of the adult population is believed to harbor residual anti-Semitism."

Another feature of the study revealed that the more Jews there are in a community the more the people dislike them. Dr. Glock, himself a Jew, said: "Perhaps this explains the surprising result that anti-Semitism was higher in the schools where there were more Jews. Jewish success and clannishness simply were more manifest where there were more Jews. Anti-Jewish feelings decreased in districts where there were fewer Jews."

Another interesting point in the study revealed that: "Black students exhibit slightly less anti-Semitism than the Whites. This was significant, since we expected the opposite. If socio-economic factors are taken into account Whites show more anti-Semitism than blacks." Finally Dr. Glock added: "Little is being done to overcome this, so if the right political climate arose, it could be dangerous."

No wonder rich Jews are buying homes in Israel. With the number opposing Jews in America growing, members of the National States Rights Party should be encouraged to work ever harder to sell subscriptions to THE THUNDERBOLT and recruit them into the movement.

GROSS INSULT TO SOUTH AFRICA

The White-ruled nations of Rhodesia and South Africa have long borne the brunt of insults and abuse from the intellectual liberal element that dominates our State Department. Now we have added injury to insult. Our State Department has appointed negro James E. Baker to be our diplomat assigned to South Africa as "economic and commercial officer." This will be a permanent position and Baker will come in contact with many of the government and business element who have never been forced to consult with negroes before. One can but imagine what their attitude toward America will be now. What type of "Good Neighbor Policy" is this? We insult our friends overseas to make headlines appeasing the never ending demands of the disruptionist negroes back here at home - thus encouraging them to make further demands which jeopardize the rights of the White majority.

Pass On**

JEWS, COMMUNISM, MONEY & GRAIN

Jew Michel Fribourg is estimated to be worth Five Billion Dollars and he is probably the richest man in the world. He was born rich, but has become much richer by selling wheat and other grains to communist Russia. His Continental Grain Company controls 25% of the world's grain trade. Most of the rest is controlled by other Jews. With Jews like Louis Victor ruling Russia as their Jewish brothers on this side of the Ocean, like Kissinger, rule America, it is easy to see why the United States has a pro-Russian foreign policy and why the United States Government supports communism all over the world.

Jew Fribourg is making over One Hundred Million Dollars on the current grain deal between the United States and Russia. All of his profit is at the expense of American taxpayers and it costs red Russia nothing. First of all the U.S. Government subsidizes all sales of grain to Russia. The Government is subsidizing the grain that Fribourg is selling to Russia at the rate of 47% per bushel with your tax money and mine. Then, to make matters worse, the grain is being sold on credit with the United States giving Fribourg a guarantee of Russia's credit. That means that Russia will refuse to pay for it and then the U.S. Government will pay Jew Fribourg for all of the wheat that he sells to red Russia. Russia is getting the grain and helping other communist countries with it as well as herself - and she is getting it free and Fribourg is getting the money on his part of it and other Jews for their parts. There is no excuse for it because Russia has more gold than any other country in the world. Russia could easily pay for the wheat in gold. Of course, we should not be giving or selling grain or anything else to Russia because that helps communism.

THE FRIBOURG FAMILY

The Fribourg grain business began in 1813 when Michel Fribourg's great-grandfather, Simon, started a grain business in Arlon, Belgium known as Fribourg Freres. Now, Michel Fribourg controls over 100 corporations and is probably the richest man in the world. The Fribourgs have always enjoyed trading with Soviet Russia on a grand scale.

Michel's father, Jules Fribourg has helped Russia with her grain business since the early days of Jew-communist rule of that unfortunate country. In 1931, Jules even admitted that Russia was underselling American wheat on the world markets, thereby making the Great Depression even worse. Russia was exporting wheat at that time through the Fribourgs and other Jews while starving their slaves.

Simon Fribourg was a supporter of Jew Karl Marx and the communist First International which was formed in 1864. Simon, along with Marx, was one of the founders of the First International.

The Jews have always controlled, financed and directed communism. Communism is a Jew trick to seduce non-Jews into supporting the Jew plan of world conquest. The richest Jews in the world continue to finance communism and they do most of it with our tax dollars.

For many years, under both Democratic and Republican administrations, the real headquarters of the U.S. Department of Agriculture has been located at the offices of Fribourg's Continental Grain Company in New York City, presently at 2 Broadway. With Five Billion Dollars, the Jew Fribourgs have enough money to buy presidents and congresses and politicians in both old parties. The Jew have enough money power to force the American people to give grain and manufactured products to Russia with only the Jews making a profit. It will take a new White racist, anti-Jewish political party, such as the National States Rights Party, to stop the robbing of the American people by the Jews.

The Fribourgs, like the Rothschilds and other Jews, make fortune after fortune by having inside information from governments. They have the government infiltrated with key agents and thereby benefit from advance information. That is what happened when the Nixon Administration bolstered red Russia with hundreds of millions of bushels of grain. Clarence Palmy was Assistant Secretary of Agriculture and he is the one who negotiated government credit deals for the sale of grain to Russia on credit. He went with Secretary of Agriculture Butz to Moscow in April, 1972 to negotiate the grain deal with communist officials. In June of 1972, Mr. Palmy resigned as Assistant Secretary of Agriculture to become Vice President of Michel Fribourg's Continental Grain Company. The facts are so numerous that they cannot all be listed in this limited space. It all amounts to corruption in the U. S. Government. It is Jewish corruption at the expense of the taxpayers. The Jews and their money rule the Government in Washington. Jews such as Fribourg, Arthur Burns and Kissinger have never been elected, but they have power over the United States instead of the people. Since the truth is Anti-Jewish and against the Jews, it must not be suppressed. So, let it be.

FARMERS ROBBED

The farmers have never benefitted from trade with Russia, China and other communist countries. As a result of Jew Fribourg and the few other international grain traders having advance information about all of the details about the grain deal with red Russia, they were able to go into the market and buy wheat and wheat futures at a low price. That was before the public and the farmers found out. Then, after the Jews bought, the public was allowed to hear about the grain deal. The price of what went up and only the international grain traders profited, not the farmers. Fribourg got the lion's share and the farmers got another dirty deal. Fribourg bought grain cheap from the farmers and sold it high along with the government subsidy.

It must be remembered that Russia does not buy grain from American farmers. The communist dictators only buy American grain from a few big grain dealers. The farmers grow the grain. The farmers work hard from sun up to sunset and take all of the

risks of bad weather and crop failure. Then, rich Jews who neither sow nor toil in the fields make all of the profit. The Jews are in their counting houses, as Benjamin Franklin said, counting the money while the people do all of the work.

Naturally, when Moscow will only do business with a few of the richest men in America, mostly Jews, those rich international traders are obligated to communism. They are naturally going to use their money power to influence the government and the politicians to go the Jew-communist way. Such does much to explain why Nixon and several presidents before him have imposed both foreign and domestic policies on us that are communist policies. Such explains the actual alliance between Moscow and Washington.

The Jews not only control the grain trade of the world, they control world trade in all commodities: nickel, silver, gold, cocoa, coffee. You name it. They control the news media which always advocates more foreign trade because the Jews control foreign trade. The Jews control the educational system and it also advocates more foreign trade because that means more money for the Jews.

As long as the Jews control the wealth of the world, there will be no freedom for any nation. The Jews use their money power to rule the government.

Political parties such as the Democratic, Republican and Communist parties. The Jews will persecute the people until Jew-

Michel Fribourg, reputed richest man in the world, robbed taxpayers of millions through secret grain deal with Communists.

ish money power is broken. When the National States Rights Party is elected to national political power, it will confiscate all ill-gotten Jewish wealth just like the United States confiscated the wealth of the Tories during the War of Independence from Britain.

Nixon's grain deal with communist Russia is another example of how the Jews manipulate governments and become richer and more powerful. The Jews are able to buy and sell cheap sell-out politicians like Nixon. Jew Fribourg and his \$168 million windfall this year is nothing exceptional. That is the way other Jews operate in this and other countries.

There is talk about a Congressional investigation of the crooked and corrupt grain deal with Russia, but don't expect an honest investigation. Most members of Congress are pro-Jewish and controlled by the Jews. The Jews have looted the Federal treasury again and Congress will do nothing about it. There is no capital in the world with more corruption and stealing than Washington. It is up to the people to remove that corruption by electing the National States Rights Party to power.

INSULT ADDED TO INJURY

Now that Fribourg and the other big grain traders have made one of the biggest raids in history on the Federal Treasury, they want to claim the privilege of crawling through a tax loophole that would exempt 50 per cent of their windfall profits from any tax at all. The crooked Nixon administration goes along with such tax dodges. U. S. Senator Herman Talmadge, Chairman of the Senate Committee on Agriculture, wrote a letter to the Internal Revenue Service urging them to give the tax break to the Jew grain manipulators. It is easy to see that such vast wealth enables the Jews to buy and sell United States Senators like Herman Talmadge. Instead of representing the farmers of America and the people of Georgia, he represents Jew financial interests.

You are urged to write the two U.S. Senators from your state and all of the Congressmen from your State and urge them to set up special committees to investigate the great grain swindle. Urge them to only appoint committee members who are not owned by the billionaire grain traders. Tell them to also stop all grain shipments to Russia and to stop all trade with all communist nations. Urge them to investigate connections between Michel Fribourg and members of the Congress and Senate such as Sen. Talmadge and to let the people know the full truth. Stand up for Christian America!

"The Dispossessed Majority"

By Wilmot Robertson

"Destined to be one of the truly great books of our time. This book can change the course of America if read by enough people," says Dr. E. R. Fields.

Air Force Surrendered To Blacks

Well, White people the blacks have done it again. They pulled off another "put down" on all White people. This time they closed down the entire U.S. Air Force base at Laredo, Texas by blocking the main gates. On their knees the Air Force begged the Blacks to reopen the base and agreed to give into all the demands of the "poor mistreated blacks."

They have the federal government so afraid that they won't even step in and do what they should. If it were White people involved; what do you think the federal government would do? We would be looking out from the inside of a federal pen!

The "blacks" felt like they weren't treated "fair" on and off the base. Well, I don't feel like I'm treated fair anywhere; just because I'm White. Do you?

What is so bad — they let them get away with it. This only gives them more power and encourages them to do this again and again and again; until they end up not only running the government and the air force bases, but with you, White people on your knees where they intend to keep you; — with the help, I repeat with the help of the federal government they

are able to do this!

When the federal government lets a hand full of niggers run an entire air force base; this should tell you something!

What's wrong with the White people?? Have they lost their love of country and people? Are we going to just sit back and let the niggers and the government trample over you and yours? Are you going to allow them to take over your schools, your lives, your homes, your children and your businesses without a fight? Have all our people gone gutless? This I cannot believe! I've met too many White people that will fight to keep "our rights" and fairness for us. Please stand up!

The Government can't keep on throwing our rights away just to appease a mob of unintelligent, rioting savages!! Not if you make yourself heard. A letter, a telegram or a protest march or joining the National States Rights Party will let them know we won't take all this without a fight. It's later than you think people! Stand up or forever hold your peace.

As Tomorrows
New Slaves,
C. H.
Beaumont, Texas

Boycott Schlitz Beer

1) Schlitz Brewing Co. agreed with negro radical Jesse Jackson's "PUSH" organization to promote blacks over Whites.

2) Agreed to hire blacks only until they are 15% at Milwaukee Plant — in a city where blacks are less than 5% of population.

3) Agreed to take purchasing and insurance buying away from White businesses and give them to blacks.

Negroes Demand I. Q. Tests Be Banned

By DR. EDWARD R. FIELDS

Educational psychologists have long recognized that negro children test 15 I. Q. points lower in intelligence tests than do Whites. A number of scientists, notably Arthur R. Jensen and William B. Shockley have found that the reasons lie in heredity, and has nothing to do with environmental background, as has been held so long by liberals.

Many schools across the land place school children in grades according to their I. Q. Militant black leaders claim that this discriminates against them. Often negro children are either held back in lower grades or are placed in special classes for backward children. This actually helps them, but the blacks ignore this; they demand that they be placed in the top classes even if this results in the progress of the class being held back.

Two negro instructors in the Bay Area of San Francisco have been able to obtain a federal court order from U. S. District Judge Robert F. Peckham barring any further use of I. Q. tests on children. They have now announced a nation wide drive to have school I. Q. tests outlawed by the Supreme Court in every state in the land. Jack Greenberg head of the NAACP Legal Fund has agreed to help. This can only retard the development of education in America.

The negroes are going a step further, they claim they shall also ask the federal courts to ban I. Q. tests as a requirement for jobs because the results usually "discriminate" against blacks!

In the meantime Dr. Jensen and Dr. Shockley (Nobel prize winning inventor of the transistor) continue to try and present their evidence to the American leaders in education. Dr. Shockley is requesting for the third time the right to teach a class in his findings on "Heredity and Intelligence." His last request lost by a 2 to 1 vote at Stanford University where he teaches other courses.

Dr. Shockley has been supported by Stanford President Richard Lyman who believes that the nation can only benefit if we get to the bottom of the controversy.

When the board refused Dr. Shockley the authority to use

the university facilities to further his investigations into mental differences between the races they reported:

"The subject is too controversial, the class might be disrupted, Shockley's statistical methods are too sophisticated for undergraduates and Shockley's competence to teach the course is questionable."

It has also been charged that we should not delve into such questions because it infuriates the blacks and can lead to trouble. They argue that it is better to never know the full reasons why blacks have a lower I. Q.

Prof. Shockley has charged that there is a great danger in America in "downbreeding" because of disproportionate child-bearing among slum blacks. He fears that the most intelligent of our population are practicing birth control and holding back the development of society. Those who we find as second and third generation welfare families are producing the largest families of all.

Prof. Shockley has been threatened by leftist radicals and Stanford must now furnish this brilliant scientist with a bodyguard.

Those who would turn back civilization are afraid for the full truth about the vast differences that exist between the races to be made known. This could have the effect of awakening the people so that they would demand a reversal of the Supreme Court's ruling for integration. This could lead to return to legalized separation of the races as exists in South Africa and Rhodesia. The protection of the race that is responsible for civilization is vital if future generations those yet unborn, are going to have a decent society in which to live.

The problem is pollution of the race that has developed America to the level we have achieved today. If civilization is to stand then the high I. Q. race must maintain its separate identity from the low I. Q. race.

Since the negro gene is dominant at a 4 to 1 ratio over the White gene, it is not possible for us to assimilate their race and breed them up into White people! They have the genetic power to breed us down into a mulatto race with a much lower I. Q.

Give Patriotic Books For Christmas
